EAST CARIBBEAN CONFERENCE

Dear Brethren:

PLEASE READ TO THE CHURCH

Christian greetings from headquarters!

Today, I write to you on behalf of the University of the Southern Caribbean (USC); and the exciting news we are sharing is that they will be celebrating their 90th Anniversary of existence! This in itself is reason to celebrate. What a legacy it continues to leave upon the Seventh-day Adventist Church in particular, the Caribbean and the world in general!

The majority of our Pastors, teachers and workers were trained at our institution of longevity. Time nor space would not permit us to tell you all the stories. My family can boast of the wonderful education received over a span of five generations. I guess that many of you can testify of the same.

Now our school needs some help to bring the infrastructure back in line with our vision and mission to continue its march to "*Beyond Excellence.*" **Therefore, on June 24, 2017 we are requesting that all churches lift a special offering for USC as a birthday gift. We hope as a Conference to give a gift in multiples of 9: \$900.00, \$9,000.00, \$90,000.00, \$900,000.00.** Let us give for our reward will not only be in heaven, but we will have a University of which we can be justly proud along with the graduates.

Thank you for making your gift a generous and memorable one.

Sincerely yours,

R. Danforth Francis
