**CONFERENCE SESSION BULLETIN #1**  
**PLEASE READ TO THE CHURCH**

Dear Brethren:

Grace and peace be multiplied to you and yours. Over the past four years we have envisioned every member being valued, and his or her giftedness being developed and deployed.

As we approach another milestone in the life of our great and growing Conference, we will gather for our "Fifth Quadrennial Conference Session" at the Lloyd Erskine Sandiford centre from August 9-11, 2017. Our Conference Session resembles our local church business meeting, but in a more expansive way. All our members are invited, however, only the delegates and delegates-at-large will have **voice and vote**. We will also have a Sabbath celebration, August 12th, at the Oldbury Campsite which will be streamed at our four downlink sites (Mile & A Quarter, Black Rock, Breath of Life and the King Street SDA Churches.

The Session will be an occasion for spiritual refreshing where we will receive five heart-warming and soul-satisfying devotionals by Dr. Clifford Jones, President of the Lake Region Conference of Seventh-day Adventists, reflecting on the theme -**Embracing Transformation Through Christ**.

As we seek to accomplish the business of the church, we will

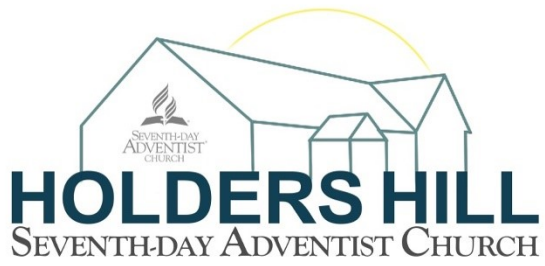

- Receive reports from the Administrators (President, Executive Secretary and Treasurer) and Departmental Directors.
- Elect/re-elect Administrators and Departmental Directors and the Executive Committee
- Lay out plans and offer recommendations for the incoming team to act upon, so that the work of the church in the East Caribbean Conference can advance apace.

To say that Conference Session is a pivotal exercise in the life of the Conference is an understatement. Selecting the right leadership is very crucial, didn't the Word of God tell us that 'where there is no vision the people perish?'

I am delighted to invite every member to join me in praying that God will grant us His wisdom and guidance as we enter into this session. We are asking that each Sabbath, from now until August 5<sup>th</sup>, that we pray as a corporate body during the **Divine Service** for the Session.

I trust that there will be copious out-pouring of the Holy Spirit, so that we will hear his voice saying, this is the way. And may we walk in that way.

Sincerely yours,
